Why play the game?

To get an insight about the situation of a refugee in a own perspective.

How will this be used and worked with?

Comparing in each country:

- **the possibilities of staying in the country,**
ex. travelling out/in, seeking asylum
- **the situation of a refugee/immigrant in the country,**
ex. treating the refugee, hindrances in the every day life
- **the human rights**
ex. how these are actually able to everyone
